W. LEE COOPER, SUPERINTENDENT OF STUART ROBINSON SCHOOL IS HONORED BY ROTARIANS

The Whitesburg Rotary Club honored Lee Cooper last fall when they nominated him for District Governor of Rotary International. The members of the Club did honor to themselves when they put forth sufficient effort to elect him. Mr. and Mrs. Cooper will go in May to the Assembly of Rotary International at Lake Placid and the International Convention at Paris, France.

It was in March that they attended the District Conference at Middlesboro where he had a part in the regular program, and also helped in the entertainment through his hobby of folk dancing. As a result of this, he has been invited to direct some of these dances at Lake Placid at the International Assembly, and

WHITESBURG SCHOOL BAND GOES TO CORBIN FESTIVAL

Whitesburg's Band under the leadership of Hugh Adams left this morning (Thursday) for Corbin, Ky., where they will perform in the Music Festival to be held there this weekend. Local citizens feel Whitesburg and Letcher County will be well represented by this excellent group. Mrs. Hugh Adams' Ballet Class has also been invited to perform.

Importance Of Social Sec. Card Is Emphasized

Tommy Thompson, newly appointed Manager of the Hazard, Ky., Field Office of the Social Security Administration, offers the following suggestions with respect to your social security card: Use it wisely. Guard it carefully. Yes, ladies, this means you, too. That social security card with a number on it that you carry in your purse may be very important to your family. It is important because that card shows the number of your Federal insurance policy. Your employer should have your correct name and social security number on his payroll records exactly as they appear on your card. Your family's protection, as well as your retirement insurance benefits depend upon the accuracy of your employer's reports. You can help him report accurately by making sure that he has your correct name and number on his records.

If you should change your name through marriage, or for any other reason, don't think for a minute that you need a new number. It is true, however, that you will need a new card with the same number and your new name. Advise your employer when you change your name, and advise the nearest social security office of the change immediately.

If you lose your card visit the nearest social security office and apply for a new card which will show your original number. Guard your card carefully. Use it wisely. Don't lose it, but if you do, let your social security office know about it right away.

Thompson points out that a representative of the Hazard Office is at the Whitesburg Post Office the 2nd and 4th, Tuesday of each month from 2:30 to 4:30 p.m.

Take advantage of the service he offers.

Retired President Of Baptist School Dies In Louisville

Thomas L. Adams, Sr., 82, retired president of Big Creek Institute, a Baptist school at Big Creek, Ky., died at 9 o'clock yesterday morning at the home of a daughter, Mrs. E. H. Britton, in Louisville.

Adams founded the school in 1922 and served as president until he retired last year. He previously served as president of Oneida Institute, a Baptist School at Oneida, Ky., from 1917 to 1922. He was a native of Canada and attended schools in Wisconsin.

Other survivors are his wife, Mrs. Vinnie Adams; a son, Thomas L. Adams, Jr., Big Creek, and two grandchildren.

Mr. Adams was a great friend to The Eagle's publisher, W. P. Nolan in his early teens, taught him the printing trade, the course which he has followed for thirty-six years. It is with much sadness that we publish this brief message.

Dry Forces Win By Huge Vote In Jenkins

The local option election held Saturday in Jenkins was a decided success in favor of the "Drys". The prohibitionist forces netted 1,237 votes of the 1,689 cast. "Wet" supporters tabulated 452 votes in the recent election.

Letcher County has been "Dry" territory since 1946 when prohibitionist forces won a county-wide local option election by 965 votes. A total of 7,776 votes was cast in that election.

Jenkins remained legally dry in a local option vote held in December, 1948. The dry forces won by 363 votes. A total of 2,149 votes was recorded in the 1948 balloting.

DOGS WITH US ALWAYS

Dogs we have with us always. One incident after another points to the need for a pound, or city yard in which strays can be placed when caught.

The spring season of dogs has rolled around and often officers are called hither and yon to curb a dog menace. In many cases there is nothing they can do but to shoot the poor things.

And here we want to emphasize—a pet that is worth having is worth being taken care of. In some cases they do break away, or leave their premises, even when the best of care is taken that it not happen. Then it is that officers will be called and if there were a pound handy, the pets could be placed there until their owners called. Officers could also render the pet owners a service by calling them when they are found in mischief, if they can learn their names.

Dogs, the best friend of man, will remain with us always. They are among those

necessary things—necessary to man and child alike. They present problems, yes. But so do many other things in life.

The Eagle wishes to commend the Jaycees for their efforts in seeing that many dogs are inoculated against rabies in various sections of the county. This work should be recognized and appreciated by all our citizens. Our hats off to you, Jaycees, keep the good work going.

CONGRATULATIONS TO THE CITIZENS OF JENKINS

Citizens of Jenkins are to be congratulated on their overwhelming victory last Saturday when the Drys won by a vote of 1237 to 452. It just goes to show that the majority of Jenkins citizens stand for high morals and good conduct. We feel the Drys will never regret the time and efforts spent in erasing the selling of alcoholic beverages for another three years at least.

V.F.W. NOTES

The V. F. W. Post 55839 sponsored the blood mobile unit which visited Whitesburg last Thursday. The turnout was very good and the committee which took care of the canteen and preparing the foods and drinks are to be commended.

Those nurses of this area, who gave their time in assisting the unit are to be congratulated also for a job well done.

There were 93 reported as scheduled by card, and 33 reported on their own, 21 were rejected leaving a total of 105 pints of blood which was taken away, that could come back to us through saving some life in Korea from here.

The VFW wishes to thank all those who donated blood for this program.

Safety Hints

—by Lovell Williams

"Check your car — check accidents."

This plea was directed to Letcher county motorists today by director Lovell Williams.

The County Safety Bureau is conducting a campaign for vehicle maintenance this month, we want to enlist the support of every local motorist to have his car checked before he starts the heavy driving that usually comes during the warmer months.

According to the National Safety Council about 6 per cent of the vehicles involved in fatal accidents in 1951 had one or more unsafe conditions. A check of your car's mechanical condition now may be a check against a fatal accident this summer.

He listed ten points that motorists should check.

1. Brakes should take hold evenly on all wheels. The hand brake should be able to hold the car on any hill. Brake fluid should be clean and at the proper level.

2. Headlights should be at the proper level for maximum road illumination and minimum glare. Lenses should be clean and reflectors bright.

3. Rear and stop lights should operate properly. Directional signals also should be checked.

4. Tires should be checked for wear and proper inflation.

5. Wheel alignment should be tested on testing equipment.

6. A qualified mechanic should completely check the exhaust system and muffler.

7. Windshield wipers should be clean, with blades checked after heavy winter to see they are clean.

8. All glass should be clean, free of cracks or discoloration. At this point, check for unauthorized stickers on windshields.

9. The horn, while it should not be an annoyance to others should be audible for 200 feet.

10. The rear-view mirror should give a clear view of the road behind.

The main objective of the road checks are not to offend anyone, but to defend you from possible injury or death.

JAYCEE NOTES

The Whitesburg Jaycees held their regular meeting Thursday night, April 23 at Sarah's Tea Room. Only five members were present.

The Jaycees will vaccinate dogs in Whitesburg this coming Saturday at 1:00 p.m. on College Hill at the High School. Everyone is asked to bring their dogs. The price will be \$1.50 each.

The Jaycees will observe "Go to Church Month" in May by attending the First Baptist Church on Sunday morning, May 3rd.

Tax Evaluation

Each year the Kentucky Department of Revenue compares the sale prices of real estate with the assessed values placed on these properties by the county tax commissioner. On the basis

of such a comparison, real current market value is bearing more than its fair share of assessed in 1952 at an average of 39.6 per cent of market value.

The remedy for over assessment is an appeal by the property owner to the County Board of Supervisors. It is also the responsibility of the county tax commissioner to above 39.6 per cent of its current market value.

county judge, school superintendent and the chief financial officer of any city using the county assessment to request the supervisors to review property which is assessed substantially below 39.6 per cent of its current market value.

THE PARSON SAYS:

—by Minnie Adams—
Naples, Florida

Lady Barnette and I are spending the week at Dewey Polly's spacious and lovely Miami Motel in Naples, Fla.

Mr. and Mrs. Polly are very clever and gracious host and hostesses. They offered us their kitchen for cooking which of course was gladly accepted. Soon the Pollys and Barnettes were cooking and eating together.

We have had fish which the Parson caught off pier. We forayed to Bonita Springs where the ladies picked up shells, while the Parson got a very red face back and legs while fishing. It just takes old linseed oil to fix a burn if got while fishing in the bay.

We left Whitesburg with Mrs. Don Brown and Mrs. Leroy Fields. Our trip to the land of fishing and cocoanuts was very delightful with Mrs. Brown driving most of the way. Mrs. Fields relieved her the second day. The Parson enjoyed the scenery, and slept some of the way.

We arrived in Tampa, Fla., Tuesday evening about 4:30. After a brief visit with Mrs. Comer and a company from Union College will lead these services. They will be assisted by the ministers of that area.

The Parson expects to return for services May 10. We will give the Mother's Day services over WTCW.

Farms To Be Developed

A Farm and Home Development Club has been organized in Clark county to assist families with definite programs to improve their farms and homes. Specialists from the University of Kentucky will visit farms to help the families study production problems and outline ways to step up crop yields, have better grass and hays and raise more and better livestock.

Nineteen homemakers in Campbell county attended a five-day tailoring school, each one working on a wool suit or coat.

KIWANIS SPIRIT

THIS WEEK:

Commissioner of Revenue, State of Kentucky, Robert Alphin, Frankfort will be the speaker of program chairman A. Joe Asher this week.

Commissioner Alphin will discuss various phases of his department's work and will bring his assistant Mr. Kenneth Bach, native of Letcher County, B. Dave Blair, Letcher County Tax Commissioner, has been asked to attend this meeting as guests of the Club.

NEXT WEEK:

Canada's future will be the topic for next Thursday. E. B. Sanders will be the Program Chairman.

LAST WEEK:

Lt. Gov. George I. Cline from Morehead, Ky., paid us a visit and gave a very interesting talk on the work of Kiwanis in our District. He touched on Kiwanis objectives for 1953 and went on to say, "We should take no short cuts, build it well whatever we do, the more we put into our work, the more we get out!"

ATTENDANCE PRIZE:

Frank King won the tie last Thursday.

J. H. Iggleheart will bring the prize this week.

GUEST LAST WEEK:

Gus Riehl, our Shrimp Man from Pittsburgh, who is with E. S. Stickle Co., of Pittsburgh was the guest of Jimmie Witt.

MR. & MRS. KELLY J. DAY OF PIKEVILLE ARE CALLERS AT EAGLE

Mr. and Mrs. Kelly J. Day of Pikeville were callers at The Eagle office on Monday of this week. Mr. Day has been active in civic affairs, and is President of the Kentucky Wholesale Company, President of First National Bank of Pikeville, and connected with Highway Association 80 and 23.

Mr. Day is past District Governor of Kiwanis, and has been active in many other activities. Mr. Day's mother was the daughter of the late Sam Francis, and his father William Day, was born on Kingdom Come, the son of David Day of Big Cowan, a pioneer settler in this county.

If a great number of our people would only realize the true nature of progress, roll up their sleeves and go to work instead of waiting for the "big break" that never comes, they could get more done and have less fear of bad times.

BLAIR BR.

Several persons gathered at the home of Uncle Joe Adams Saturday evening for church services. A good meeting was reported.

Willis Blair, Bradley Blair, Glenn Blair, John H. Blair, Mr. and Mrs. Oscar Back and family, Mrs. Jack Adams and son Jimmy Ray, visited Mr. and Mrs. William Adams and family Sunday.

Mr. and Mrs. Melvin Adams and family motored to Dewey Lake for fishing Sunday.

Bradley Blair visited his sister, Mrs. Rebecca Conway of Troublesome last week end.

We extend our deepest sympathy to the husband, daughters, friends and relatives of Ruth Lewis.

Minnie Adams visited Mrs. Ollie Back and family and Mr. and Mrs. Z. T. Stacy of Isom, Sunday.

Mr. and Mrs. Otis Adams and son Bobby are home for a few days from Detroit.

We extend our deepest sympathy to Kirby Isom and all the family in the loss of their brother Edd Isom.

L. C. Adams and Stevie Craft visited Mr. and Mrs. James H. Adams of Sandlick over the week end.

Mary Helen Blair, Mrs. Nellie Whitaker and family visited Mrs. Polly Blair and family Sunday.

THE FUTURE IN YOUR HANDS

—by WILLARD M. GILLIAM—
(An article dealing with the present and future economic condition of Letcher County).

The Law of Progress:

The world of today has become impatient. We like to do things in a hurry. We don't take time enough to think things through to their logical conclusions. As a consequence, we often end up in many disappointing situations, often to our shame or sorrow.

Progress is not made by a few dramatic accomplishments but by a steady day by day doing of small acts carefully planned and all done in their proper order, without haste, faltering or lost motion.

"Rome was not built in a day." The giant oak tree grows little by little from a small acorn. The rate of growth is so slow that it can hardly be noticed, yet this steady growth year after year produces the great oak with its spreading branches.

All progress, whether it be material, physical moral or spiritual, follows this same pattern of growth. The child first crawls then walks and finally runs. He starts school in the first grade and progresses little by little, year after year, until he finishes high school or college.

The character influence, and physical body of an individual can be gradually torn down little by little just as it was built up. It is not always one or more serious mistakes that wreck a man's life but the gradual building into his life of the little questionable things that grow and grow until they control the man.

A community can never be any better than the people of which it is composed. The prosperity of a community can never be any greater than the prosperity of each individual added together. When the individual is thrifty, industrious and produces something, whether it be building a house, clearing a field or growing a crop, he has by his efforts made his community that much wealthier.

If a great number of our people would only realize the true nature of progress, roll up their sleeves and go to work instead of waiting for the "big break" that never comes, they could get more done and have less fear of bad times.

Little by little is the formula. Do every small thing with patience and thoroughness. Grasp each little opportunity and make the most of it. Whatever your niche in life may be, fill it as only YOU can. This is the only way you can expect to succeed.

QUESTION:

Which car in the low-price field gives you all this?

- Best performance, yet greatest economy
- Compactness with easiest handling, yet plenty of room for six
- Greatest durability, yet most reasonable price
- World's best ride, yet no useless weight
- Highest power to weight, yet utmost safety
- Custom-car quality, yet economical to buy

ANSWER:

Only the **HUDSON JET**

For the first time anywhere you can get all the qualities shown above in one economical, compact car that sells at a low price—the new Hudson Jet.

This new kind of car is possible only because of Hudson's exclusive "step-down" design (the floor is recessed), which provides the lowest center of gravity among American cars.

Standard trim and other specifications and accessories subject to change without notice.

That is why the Hudson Jet safely handles more power in relation to its weight, and provides far greater performance than any other car in the low-price field.

Moreover, this highest power to weight is a key factor in the Hudson Jet's outstanding economy in gas, oil, tires and upkeep. Try this new kind of car.

Letcher County Bar Association Meets

The Letcher County Bar Association met at the City Cafe on April 27th, with a fine evening meal which put the group into a relaxed mood for business. French Hawk, president presiding called the meeting to order and the minutes were read by Secretary Baxter Jenkins. There was discussion of buying a mimeograph machine for the purpose of mimeographing briefs and a committee of three was appointed to look into the matter of obtaining such a machine.

In July of 1948, when Judge Monroe Fields was leaving this County to go to Pike County to serve as Judge, he left with tears in his eyes, and his farewell speech was read at the meeting of this Bar, which he had made in 1948. It was stated after the reading of his speech, by some who had heard him, that he stood for quite awhile before starting talking. The motion was made that this speech would be spread upon the minutes of the Letcher County Bar Association.

Those present were: Mr. and Mrs. French Hawk, Harry L. Moore, Harry Caudill, Stephen Combs, Jr., J. L. Hays, LeRoy Fields, Baxter Va.

CARD OF THANK

We want to express our appreciation and thanks to everyone that spoke a kind word in the time of our great loss of our dear sweet mother Ollie Lee Kincer. To the ones that sent flowers, helped to prepare food, the preachers who spoke so kind, the entire staff of the Seco Hospital who took such good care of her and

the Craft Funeral Home who took the most of care to make her look so pretty. We can't tell you all how we appreciate what you all have done and we pray that God will bless each of you.

Mother we miss you so and our days are so sad, but we hope for a bright tomorrow.

Did you know that more than 18,000 profit-making Financial Institutions with assets of over 45 Billion Dollars are virtually INCOME TAX-FREE?

Savings and Loan Associations, Mutual Savings Banks, other cooperative banks and Credit Unions escape paying more than 525 Million Dollars in Federal income and excess profits taxes every year on over 1 Billion Dollars in corporation profits.

Most people know that cooperative corporations engaged in general lines of buying and selling are granted Federal income tax exemptions that enable them to compete unfairly with their fully-taxed competitors in the same lines of business. They also know that there is a nation-wide demand on the part of taxpayers that Congress put a stop to this unfair tax favoritism... now!

But not all people are aware that, in addition to the tax-exempt co-ops, there are great FINANCIAL INSTITUTIONS of tremendous size and wealth which are also given special tax privileges by Congress.

There are 6,000 federal and state-chartered SAVINGS AND LOAN ASSOCIATIONS having assets of nearly \$20 Billion and annual corporate profits of about \$500 Million that pay little or no Federal income tax on these profits. There are more than 500 MUTUAL SAVINGS BANKS with total resources of more than \$23 Billion and annual earnings of more than \$500 Million that are given similar tax treatment. Other co-op financing institutions include 500 Production Credit Associations, 1250 National Farm Loan Associations and more than 10,000 Credit Unions. Their assets total almost 2 Billion dollars and they earn about \$40 Million in corporate profits annually on which they pay little or no Federal income taxes.

Just as other co-op businesses are permitted to compete on a tax-free basis with taxpaying private concerns in the same lines of business, so are these co-op financial institutions allowed by Congress to compete just as unfairly with fully-taxed banks and other taxpaying financial organizations.

What these co-op financial institutions do NOT have to pay must, of course, be added to the income tax bill of the rest of us, including you... and is! Altogether the taxes escaped by all co-ops, co-op financial institutions and government businesses, amounts in a single year to almost ONE AND ONE-HALF BILLION DOLLARS.

This tremendous tax loss is the reason why income taxpayers, big and small, across the nation are today demanding that Congress act immediately to TAX THE UNTAXED and relieve the burden on those who now must pay more than their share.

YOU CAN DO SOMETHING ABOUT THIS...

PROTEST to your Congressman and Senators!

Demand that they act NOW to fully tax the huge corporate profits of co-ops, co-op financial institutions and government businesses. Do it today!

SANDLICK HOMEMAKERS

Every homemaker wants to be a modern homemaker and that is one who learns and applies all the latest methods to her every day tasks. Only in this manner can she be most efficient with both time and energy saved.

This homemakers year is being devoted to saving these all important factors time and energy, for this lesson, we were taught how to sharpen knives and scissors and shown how to keep them that way.

Nothing is more apt to bring on a fit of temper or just plain dislike in doing a job than improper, dull tools.

Every club purchased the equipment with which to sharpen all knives and scissors and first hand instruction was given by the leader. The Sandlick Club was responsive and with a little practice at home, each member can acquire the skill in keeping her tools in proper working condition.

The following were present at our meeting, on April 2, at the home of Mrs. Irene Reynolds, Sandlick Road; Mrs. Georgia Taylor, A. J. Clay; George M. Adams, Rena Crawford, H. H. Fields, Minta Mullins, Elsie Niece, Margaret Polly, Mollie Mullins, Irene Reynolds, one new member was added to our roll, Mrs. Evelyn Caudill.

We also had a visitor, Mrs. Alpha Adams, the weather being chilly, we had hot tea and coffee with delicious cookies.

Woman's Club Meets

The April meeting of the Whitesburg Woman's Club was held at the Methodist Church on Tuesday afternoon at 4:00 o'clock. Hostesses for the meeting were Mrs. Jim Brown, Mrs. A. C. Brown, Mrs. Nora Myers and Mrs. Orval Hughes. Lovely dogwood in vases and bowls further enhanced the delightful program on Gardens which was presented by Mrs. Gordon Lewis.

Mrs. Paul Vermillion in her usual charming manner gave the devotional from the 13th chapter of Corinthians, followed by a prayer.

During the business session which was conducted by the president, Mrs. William Floyd Mercer, the chairman of the nominating committee, Mrs. French Hawk read the report of that committee. The roll was called and the minutes of the last meeting were read by the secretary, Mrs. D. B. Franklin. Miss Bonnie Combs, the treasurer gave the report.

Mrs. Lewis then introduced her subject "Gardens" and the group sang "In The Garden," directed by Mrs. Bill Owens with Mrs. Albert Jones at the piano. Mrs. Woodford Webb read a group of poems "The Believers" which was greatly appreciated by all present. Mrs. Bill Owens sang two beautiful selections, "Only A Rose" and "Tea for Two," accompanied by Mrs. Albert Jones. Mrs. Lewis introduced Mrs. Harry Caudill, who gave a most informative and entertaining talk on What to do to shrubs. Mrs. Caudill told of the care to give to shrubs each month of the year, and many other valuable hints concerning the growing of shrubs and evergreens. The final number on the program was given by Mrs. V. D. Picklesimer whose subject was "In The Heart of a Rose". Mrs. Picklesimer explained in detail the planting, cultivation and different varieties of roses that might be grown with a small amount of work and care.

Following the program the group present was invited to the assembly room of the church where a delicious refreshment plate and coffee was served by the hostesses. Among the relatives attending the funeral of Mrs. Leonard Lewis were:

Mr. and Mrs. Carl Osborn, (brother), Ravenna; Mrs. C. S. Landrum, Lexington; Mr. and Mrs. G. R. Allen, Prestonburg; Mr. Fred Cope, Hazard; Mrs. Nannie Northcutt, Winchester; Mrs. Hattie Medley, Cincinnati; Judge and Mrs. Astor Hogg, and Mrs. Ronald Peters Harlan; Mr. Curtis Lewis, Naples, Fla.; Miss Mary Lynn Lewis, Washington, D. C.; Mr. and Mrs.

W. LEE COOPER . . .

(Continued from Page 1)

also to aid in the program of entertainment aboard the Mauretania as he goes to Paris.

Mr. and Mrs. Cooper will leave Stuart Robinson on May 1 to spend a few days with their daughter, Mary Louise Corbett and family in Sandy Lake, Pennsylvania, before going on to the Assembly. Rev. Warren Corbett who is now pastor of a larger Parish is also a Rotarian. Mr. and Mrs. Cooper are looking forward to this visit, and to seeing their grandchildren, Betty, Lee and Larry Corbett whom they have not seen for over a year.

From Sandy Lake, the Coopers will go to Cleveland where they will take President Brunner's Special Train on May 6 for Lake Placid. After a week of intensive study in the duties of District Governor at the Assembly, they will go to New York where on May 14 they sail for Paris on the Mauretania.

On Monday, May 25, Mr. Cooper has been asked to conduct one of the 26 assemblies of the Paris Convention. These assemblies take in representatives from eighty-four different nations, and are on the different phases of Rotary Service. The subject assigned to Mr. Cooper's group is Club Service which will be discussed under the following topics: (1) Fellowship; (2) Programs; (3) Public Information; and (4) Rotary Information.

The Convention will last from May 24 through May 28. The City of Paris and Rotary Clubs of France have made extensive preparations for entertaining the Rotarians from all over the world. Tickets will be furnished Rotarians to the Opera, the Theater, and other places of entertainment in Paris. There will be fashion shows for the benefit of the Rotary Anns. On Tuesday night the entertainment committee of Rotary International for the Convention has planned a program of Water Ballet Dancing and Fireworks with the fountains in the lovely gardens at Versailles as a background. On Thursday night the President's Banquet will be held.

After the convention, Mr. and Mrs. Cooper are planning to spend three weeks touring England, Scotland and Wales. They will return to New York on the Queen Mary leaving Southampton on June 18.

Mr. Cooper finds that the duties of District Governor are going to be rather heavy and exacting. However, he feels that he must live up to the expectations of those who elected him, and perform in a creditable manner the duties involved in this office. He is looking forward to the rich experiences that are awaiting him in the performances of his duties as District Governor.

Bates-Pate Marriage

Miss Wanda Sue Bates, daughter of Mr. and Mrs. Enoch Bates, of Algood, Tenn., and formerly of Whitesburg, was married to Mr. Carl Pate, son of Mr. and Mrs. Edward Pate, also of Algood, at the home of her parents.

Rev. Carson Whitaker, pastor of Scott Street Freewill Baptist Church, Cookeville, officiated with a double ring ceremony.

One end of the living room was decorated as the alter with fern overhanging two branched candelabra. A large basket of gladioli decorated the center and mountain fern was used between the candelabra and glads.

The bride entered with her father by whom she was given in marriage. She wore a medium blue linen dress with full skirt and fitted jacket. Her corsage was a white orchid.

Mrs. Billy M. Adams, sister of the bride, served as matron-of-honor and was dressed in an orchid nylon dress. Pink carnations were her flowers. Mrs. Homer Bennett, sister of the groom was bridesmaid and wore a tan nylon dress. Her corsage was of yellow rose buds.

The groom wore a dark blue suit and white boutonniere. Billy M. Adams was best man in a grey flannel suit and white boutonniere.

The bride's mother wore a navy faille dress and white carnation corsage. The groom's mother wore a purple dress and white carnations.

After the reception, which followed immediately, the newlyweds left for a short wedding trip after which they will leave for Detroit, where they plan to make their home.

TRAINS DISCONTINUED

The State Railroad Commission authorized Louisville and Nashville Railroad Company to discontinue passenger trains on two local runs in Kentucky after June 1. They were round trip locals 29 and 30, between Cincinnati and Knoxville, by way of Corbin and its Saturday mixed passenger and freight service between Park City and Glasgow.

Commissioner Chairman Frank L. McCarthy suggested to rail spokesmen that consideration be given to the use of self-propelled diesel rail coaches in an effort to save the dwindling number of local trains in the state.

A lot of people think, and believe, that a lawyer earns a lot of money and earns it easily. This has not been my experience. I studied law and am practicing law because I believed it was a good opportunity to serve people and I have, during the past few years, endeavored to serve the best interest of the clients. I have had and will, if elected, do my best to serve the best interest of the people of Letcher County.

Respectfully yours,

within the County particularly misdemeanors. I am not prone to believe that all persons brought before our courts are presumed to be guilty merely upon the affidavit of some person swearing to the warrant; and I will, therefore, promise the voters of this County to prosecute vigorously only crimes corroborated by other evidence.

Unfortunately, our system of paying peace officers is based upon a fee system in which defendants are convicted, and this promotes warrants and prosecutions upon the generally law abiding citizens that are not warranted. I am against such a system and feel that a lot of our citizenry are molested, and embarrassed, and rather than defend themselves plead guilty to numerous charges.

Without announcing my stand on every issue, which the citizens of this County are concerned, I can sum it up by stating that I am for good, clean honest and efficient county government. Our courts and our county government has suffered, in the past, from the lack of dignity, honesty and efficiency and the people have correspondingly suffered by the failure of some officers to exercise these virtues.

I realize that a good portion of the people of Letcher County do not know me and for that reason have been somewhat hesitant in announcing my candidacy; however, I hope each voter will learn, from some other source than myself, whether or not I deserve your help and support.

I will endeavor, during the coming campaign to solicit your support in a friendly manner and I WILL NOT

this office, other than the

spend any money in seeking

amount necessary for filing

and minimum advertising;

neither will I associate myself

with any political faction that

order to obtain the nomination.

One of the constitutional qualifications for this office is that the candidate must be a licensed practicing attorney for two years prior to election. I have been a regular practicing attorney at the Letcher County Bar since October, 1950.

I received my law degree from the University of Louisville and Jefferson School of LaLaw in 1949. I graduated from Stuart Robinson School during the depression and was not able to continue my education at that time. I am the son of Steve Jenkins (Brother of George and Arch) and Lida (Jenkins) Collins. I was born in Whitesburg and raised in Blackey. I have always been intensely interested in Letcher County though I spent twelve years away from here; that is why I am back.

New Instrument To Aid Coal Mining

Development of a new instrument that will continuously sample the atmosphere of coal mines for methane gas, has just been announced by Mine Safety Appliances Company here.

The instrument, a combination analyzer and alarm, will be shown at the American Mining Congress Coal Show in Cleveland, May 11 through 14.

Designed primarily for use in mine ventilation systems, the instrument takes samples of return air and automatically analyzes them to detect presence of methane gas. It can sound an alarm, visible and audible, when the predetermined concentration of methane is present in the sample.

Methane gas, being colorless, odorless and tasteless, is the product of decomposition of organic matter. Pockets of this highly explosive gas may be encountered in coal seams, both bituminous and anthracite.

When methane explodes, the concussion shakes loose any coal dust present. This may ignite and set off a chain reaction or wide propagation of the blast. Most modern coal mines, however, use equipment to spray rock dust on underground roof, wall and floor to prevent propagation of coal dust explosion.

This new instrument is intended to supplement small hand-operated, battery-powered Methane Detectors and Testers, and the familiar flame safety lamps now being used in coal mines. These instruments are employed for spot-checking face workings, break-throughs, air courses and haulageways.

Presbyterians Hold Annual Conference

Representatives from 14 churches attended the 28th annual meeting of the Women of the Church of Guerrant Presbyterian at the Hazard Presbyterian Church April 22, 1953.

The morning session opened at 9:15 with Mrs. Morton Carte, Hazard, Presbyterian president, presiding. Mrs. Green Rose, Jackson, and Mrs. C. M. Merrill, Harveytown, are the District Chairmen for the area. The program, prepared by Mrs. Basil Hicks, Hazard, Vice-President was presented by Mrs. W. W. Reeves, acting secretary.

Reports of the Presbyterians officers followed: Mrs. R. G. Landolt, Jackson, Treasurer; Mrs. D. B. Snowden, St. Helens; Historian, Mrs. Bascom McIntyre, Whitesburg; Spiritual Growth chairman, Mrs. Burton Sherrod, Jackson; World Missions chairman, Mrs. Patsy Turner, Canoe; Church Extension chairman, Mrs. Melvin Parsons, St. Helens; Christian Education chairman, Mrs. Virgil Hill, Beattyville; Stewardship chairman, Mrs. Paul Vermillion, Whitesburg; Annuities and Relief, Mrs. Rice Kirby, Hazard.

During the afternoon session a life membership pin was presented to Miss Bonnie Heironymous, of St. Helens. Rev. C. D. Wallace, chairman of Women's Work spoke and officiated at the installation of new officers.

The inspirational message for the day came at 1:45, when Dr. W. M. McCorkle, Secretary of Evangelism for the Presbyterian Church, U. S. spoke. Dr. McCorkle is well known throughout the South as an outstanding evangelical minister having served in pastorates in Knoxville and Kingsport, Tenn., St. Louis, Mo., and rendered notable service as a chaplain in World War II. His headquarters are in Atlanta, Ga.

METHODISTS LAUNCH \$450,000 CAMPAIGN

Bishop William T. Watkins has announced that a campaign for \$450,000 for use by 486 Methodist Churches of the Kentucky Conference began Monday, April 13.

The campaign will be the last in a series over the past two years in which \$3,175,000 already had been raised or pledged for four Methodist colleges in the church's Louisville area.

OUR SERVICE PLEDGE

To merit your lasting friendship—to merit your lasting goodwill—we operate our service business in accordance with the following principles.

WE WILL accurately diagnose—to the best of our ability—the repairs needed on your car. If you request it, we will give you in advance our analysis of the work to be done.

WE WILL write up your order clearly, completely and legibly; and secure your authorization to do the work before starting.

WE WILL notify you in advance of any additional work we think should be done, and secure your approval before proceeding.

WE WILL perform all work on your car as efficiently and as economically as possible. We will replace only those parts which in our judgement need repacing.

WE WILL road-test your car after the work is done and before we return the car to you, if the nature of the work requires it.

WE WILL endeavor to have your car ready on time. If the work takes longer than we estimate, we will advise you as far in advance as possible.

WE WILL provide you with an itemized bill showing exactly what work was done and exactly what it cost. We will gladly explain any item or items that are not clear to you.

NEON BOY RECEIVES COMMENDATION

To: Pfc. Johnny Simms, Company "H" 33d Infantry Fort Kobbe, Canal Zone

I note with pleasure the results of the spot check inspection of your vehicle made by USARCARIB Ordnance personnel, March 10, 1953, which indicated that your vehicle had no deficiencies on the date of this inspection.

A vehicle in such superior condition is indicative of much hard work on your part and a sense of responsibility for maintaining Government pro-

perty in top operating condition at all times. Such action by you is praiseworthy.

I wish to express my personal gratitude for the efforts put forth by you to achieve a superior rating by the Spot Check Inspection Team. The results of your efforts are indeed a credit to yourself, your organization and the Regiment.

Robert H. Douglas
Col. Inf. Commanding

I wish to add my congratulations to you in addition to those contained in the basic

communication.

It always gives me a great deal of satisfaction to be advised that a member of the 2d Battalion has performed his duties in such an outstanding manner. By your untiring efforts and devotion to duty, you have reflected considerable credit upon yourself and rendered a service to the Regiment as a whole which will enable it to function with a high degree of proficiency. Congratulations for a job well done.

R. W. Scott,
Lt. Col. Inf. Commanding.

Chief Warrant Officer John B. Fuqua, whose wife Esther, lives in Cave City, Ky., was recently assigned to NATO's Southern Europe headquarters in Naples, Italy.

Fuqua is formerly of Whitesburg, Ky.

Fuqua, who has been in the Army 25 years, served in the Pacific area during World War II. He was previously stationed with the Army ROTC at Bowling Green, Ky.

TWO CITIES TO GO ON DAYLIGHT TIME SUNDAY

Two Kentucky cities are to switch to daylight-saving time April 26, even though official clocks will remain on Central standard time.

Northern and southeastern parts of the state will remain on Eastern standard time. Most of the state will continue to observe Central standard.

In Louisville and Lexington, City and County offices will remain on their present operating schedules while stores and business offices will move ahead an hour.

Korean Vets To Get \$250 Scholarship At Centre College

Centre College will now provide \$250 per year four-year scholarships to all Korean and other veterans who enroll at the college and are eligible for assistance under Public Law 550, it was announced today by Dr. Walter A. Groves, Centre president.

Veterans interested in attending Centre and obtaining a scholarship, each amounting to \$1,000 over the four-year period, should apply to the Centre admissions office, according to Dr. Groves. Director of admissions for men is Paul L. Cantrell.

President Groves stated that the scholarships "should enable many veterans to attend Centre who might not otherwise be financially able to do so." The chief purpose of the scholarships, he pointed out, is "to take the amount of financial assistance available under Public Law 550 to veterans wishing to attend college about equal to the assistance provided all veterans following World War II under Public Law 346."

Under this previous law all single veterans, for example, received \$75 per month subsistence allowance and, in addition, the Veterans Administration paid to the educational institution up to \$500 per year for tuition, plus the necessary amount for books and supplies. Under present Public Law 550 all single veterans receive a total of \$110 a month which must pay for everything.

OBITUARIES

(Reported by Craft Funeral Homes).

Obituary of—**Mrs. Leonard Lewis**

Ruth O'Riley Lewis was born in Jackson, Kentucky, on November 1, 1897, and departed this life April 23, 1953, age 55 years, five months and 22 days. Mrs. Lewis was a deeply spiritual person. She lived a most devout Christian life from her childhood. Her earliest remembrances were of kneeling beside her mother to ask God's guidance in every problem of life.

As a member of the Church of God of Whitesburg, she has continued her daily walk with God. She depended on God continually. She always asked her friends and relatives to kneel and pray before separating. She had prayer in her home on bended knees before starting the day's work, or before starting a journey, or before any task. She believed God could help one to break any evil habit, or solve any problem. She often told her friends, "I will pray for you, you pray for me." She dedicated her home and her life completely to God.

She was married to Leonard H. Lewis on August 20, 1919. To this union were born three children, Carl Martin Lewis, who departed this life in November, 1922 and two daughters, Christine and Anna Mae.

Surviving her are her husband; two daughters, Christine Lewis Frost and Ann Lewis Bowen; two granddaughters Suellen Frost and Jenny Lind Bowen; one brother, Carl Osborne of Ravenna.

Mrs. Lewis' greatest joy was in unselfish service to her family, who depended on her for guidance in every undertaking. With her departure they can look only to her God who will abundantly bless them and lead them into all righteousness.

Truly this can be said of her. "She walked with God, and was not—for God took her."

From the fly leaf of her Bible I will read these lines

written by her:
If in my loneliness I feel thee nearest,
Oh, shall I ever fear to be alone?
If in my saddest hours I find Thee dearest
What deeper joy has my heart ever known?

Better by far to me are days of sorrow
If then Thy light is clearest unto me!
Better rough paths—if then today—tomorrow—I may be conscious, O My Lord of Thee.

Take these weak hands that have no power to sever
The links that hold them here—this earthbound heart,
That yet would find its rest in Thee forever,
That yet would wander never more apart.

Funeral services were held at the First Baptist Church on Sunday, April 26th, at 2:00 p. m. with Revs. Bee Day, R. R. Walker, George Hammonds, and Clel Rodgers officiating. Burial was in the Lewis plot of the Sandlick Cemetery. Craft Funeral Home in charge of funeral arrangements.

Edd Isom, Skyline Resident Dies

Edd Isom, Skyline resident passed away at his home on Friday, April 24, at 6:00 a. m. He had been ill for some time. Mr. Isom was born in Letcher County and was a miner most of his life. He was the son of W. M. and Sarah Dixon Isom of this county. He is survived by his wife Martha Watts Isom and the following children: Mary Carolyn Isom, Bobby James Isom, Lilly Isom, Mavis Isom, Edward Isom, and Wane Isom.

Funeral services were held at the Big Branch School House, on Saturday, April 26 with burial in the family cemetery.

Officiating ministers were: Manis Ison, George B. Isom, Andy Bates and H. B. Reedy. Craft Funeral Home was in charge of the body.

Harrison Taylor Dies In Ohio

Harrison Taylor, 63, formerly a resident of Millstone, died of a cerebral hemorrhage, Monday, April 20, at Adams County General Hospital at West Union, Ohio. He had been a resident of Seamon, Ohio, for more than five years.

Funeral services were held on Wednesday, April 22, at Mt. Leigh Presbyterian Church in Seamon, Ohio, with Rev. E. M. Duffy in charge. Burial was in Mt. Leigh Cemetery. Active pallbearers were Senior Class members of his son Charles. The Junior and Senior class girls were in charge of the flowers.

Mr. Taylor is survived by his widow, Samantha Meade Taylor, sons, Grover, Philas, and Charles of Seamon, Ohio. Raymond of Thornton, Ky., Earl McKinley, Ben Jr., and Sol of Millstone, Ky., and one daughter, Mary Ellen Osborn, of Detroit. Eleven grandchildren and three brothers, John of Mayking, C. R. Taylor, Wise, Va., and Wilson of Baltimore, Md. Three sisters, Mrs. Enoch Sergent and Mrs. Frank Taylor of Colson and Mrs. Will Hall of Crotona, and a host of friends and relatives.

Mr. Taylor was the first Letcher Countian to settle in Adams County, Ohio, later he was joined by Enoch Franklin, Archie Franklin, P. E. Holcomb, Joe Spencer and others of their families and friends, all old neighbors of Millstone. Mr. Taylor was an honest, hard working man, never speaking ill of anyone, ever willing to extend a helping hand to any and everyone. It can be said of him, "he was truly a good and loving husband, a kind and loving father, and a good friend and neighbor."

Due to mild weather, cattle in Henry county came through the winter in fair condition on third-class hay and little grain.

Mrs. Bill P. Sergent, Billy and Linda visited Mrs. J. R. Clay, Brewster and Deborah Monday.

228 cubic inch engine with 105 horsepower—highest in its class.

Dual-Range Truck Hydra-Matic* unerringly selects the right gear ratio for all needs—automatically.

8.0 to 1 compression—highest of any gasoline truck engine—extracts more punch, faster response, from non-premium fuel.

Hydra-Matic's 3-speed range for traffic, 4-speed range for open going, cuts engine rpm to the minimum needed for the job.

Hydra-Matic's fluid coupling prevents engine strains, shock loading of drive line and rear axle, reducing servicing and repair needs.

Better acceleration without shifting lags, cuts "traffic light time" at every stop.

Elimination of clutch-and-gearshift effort keeps drivers fresher, more alert to accident hazards.

*Standard equipment on Package Delivery model; optional at moderate extra cost on the others.

MOBILGAS ECONOMY RUN FLASH!

FORD BEATS ALL IN ECONOMY!

MILEAGE MAKER "6" WINS SWEEPSTAKES!

Score a blazing victory for Ford's dollar-saving gas economy! Ford's high-compression Mileage Maker "6" with Overdrive beat every car entered in this year's Mobilgas Economy Run, regardless of size or weight, to sweep the sweepstakes! Ford's winning average was 56.70 ton-miles per gallon.* And Ford's high-compression 110-h.p. Strato-Star V-8 with Overdrive was right up there in economy, too, with a record of 48.55 ton-miles per gallon!

The winning Ford was a regular production car, just like thousands of other '53 Fords you see on the road every day. This 1,206-mile trip from Los Angeles to Sun Valley covered all types of driving conditions. The route threaded through city traffic, where stop-and-go driving tests an engine's fuel economy under the toughest conditions . . . and out along the highways of four western states.

The Ford Mileage Maker "6" took all this in stride, maintaining a speed above the required 44.25 m.p.h. minimum, to finish 1st in the sweepstakes! What better proof is there that Ford is the thriftest car of all? What better way to show why Ford is worth more when you buy it . . . worth more when you sell it!

TON-MILES PER GALLON*

Ford is the first car in its weight class . . . in the history of the Economy Run . . . to win top honors in ton-miles per gallon over all other cars regardless of size or weight.

*The AAA Contest Board determines the winner by a "ton-mile per gallon" formula to insure equal chance for all cars in each class regardless of size and weight. Ton-mile per gallon equals the car weight (including passengers) in tons, multiplied by number of miles traveled, divided by number of gallons of gasoline consumed.

Fire Losses Set At \$109,843 For Letcher County Last Year

Fire losses in Letcher County in 1952 totaled \$109,843, according to a report released today by State Fire Marshal J. T. Underwood, Jr. There were 24 fires listed in the report.

Reported fire losses for the entire state amounted to \$13,812,434, the greatest figure on record and \$2,911,486 above losses for 1951. The release was based on reports made to the Fire Prevention and Rates Division of the Department of Insurance by insurance organizations.

There were 5,909 fires in the state, compared to 4,931 for the previous year. There were 3,430 fires for a total of \$5,573,930 in areas protected by fire departments and 2,408 fires resulting in loss of \$8,032,141 in unprotected areas.

Letcher Man Hurt As Auto Leaves Road

A Letcher County man was in serious condition last night at Pikeville Methodist Hospital after an automobile in which he was riding with three companions left the highway after rounding a curve near Elkhorn City. One of his companions was taken to a hospital at Jenkins for treatment of head lacerations and another, driver of the automobile, was jailed at Elkhorn City, Kentucky State police said.

In serious condition at the Pikeville hospital was Jimmie Webb, about 25, son of Dixon Webb, Dunham. Douglas Polley, age not listed, was removed to the Jenkins hospital for treatment of head lacerations.

The driver of the car was listed as Hershel Gilliam, 21, of Dunham. An attendant at the Elkhorn City jail said he was charged with drunken driving.
